Dear Friends

Garden Pathways changes lives from the inside out through hope and relationship. We build healthy families from broken ones. With God's leading, and help from the community, we have made great strides in "building community from the inside out." Please unite with us to increase mentoring and education services to our community – a critical need at this time. It is only with your help that we can continue to serve our community and His purpose. Garden Pathways is thankful for your support.

Back by popular demand, we invite you to our 3rd annual "Garden Party" at the Garden! Join us for a wonderful night of fun and fellowship. Garden Pathways needs your help. If you will join us, we promise you a good time, with great people doing good work.

Please fill out and return the enclosed donation card and stand with us. We continue to count on your generous support.

Sincerely,

Garden Pathways Board of Directors & Staff
